## GHI INTERNSHIPS

The GHI Internship Program gives German and American students of history, political science, and library studies an opportunity to gain experience at a scholarly research institute. Interns assist with individual research projects, work for the library, take part in the preparation and hosting of conferences, and help with our publications. They receive a small stipend. The program is very flexible: The GHI tries to accommodate the interns' interests, abilities, and goals. A two-month minimum stay is required; a three-month stay is preferred. German students are strongly advised to familiarize themselves with the American visa requirements beforehand. The process of obtaining a visa has become complicated and expensive. Information is available at the web site of the American Embassy in Berlin at [www.usembassy.de](http://www.usembassy.de). The GHI cooperates with an organization authorized by the State Department to issue the relevant papers to obtain a visa. Applicants accepted into the internship program will receive further information on the procedure in their acceptance letters. Applications should contain a cover letter, a CV, a letter of recommendation, and copies of *Zwischenprüfungs-* or *Abschlusszeugnis*. You may apply either in English or German. For further information please contact Dr. Anke Ortlepp ([ortlepp@ghi-dc.org](mailto:ortlepp@ghi-dc.org)).
