Directions to the HRI from Sheffield Station

**Supertram**

Trams link the railway station and the city centre directly to the University. The tram stop is located at the back of the railway station. Trams from the station to the University run on the Blue route (destination "Malin Bridge").

Trams from the city centre to the University run on both the Blue route and the Yellow route (destination "Middlewood").

*Believe it or not, you can buy tickets for the Supertram from a conductor in the train!!*

During the day, trams run every 10 minutes (15 minutes on Sundays) from 6.00am to midnight.

To reach the HRI disembark at the 'University of Sheffield' stop on Upper Hanover Street. Cross the tramlines, and then the road, go back into West Street, then turn left into Gell Street.
Location of the Rutland Hotel, 452 Glossop Rd, Sheffield S10 2PY, phone 0114/2664411

As you can see, the HRI is in walking distance from the Rutland Hotel. You can get to the Rutland Hotel by taking the Supertram as described above, to the stop University of Sheffield at the crossing Upper Hannover Street/Glossop Road, then walk up Glossop Road. That will take about 8-10 minutes.
