GHI Fellows Seminars, Fall 2004

The GHI’s Fellows Seminars are a forum in which fellowship recipients and other visiting scholars present their research to the Research Fellows of the Institute and interested scholars from local academic institutions. They are organized by Deputy Director Dirk Schumann. The GHI awards doctoral and postdoctoral fellowships for the duration of one to six months. These fellowships are designed for doctoral candidates and post-doctoral scholars whose research deals with one of the following fields: German history, the history of German-American relations, the role of Germany and the United States in international relations, and American history. For the application process, see the “Announcements” section of this Bulletin.
